

## BECOME AN INVISIBLE WRITER WITH MIKE WEEKS

This workshop focused on helping our writers improve their mindset, resilience, professional relationships, and their ability to use failure as an essential tool on the road to success. Writers often get the same results despite trying new and different approaches – “no.”

Coach and speaker, Mike Weeks, gave attendees the tools and strategies to overcome

*Mike Weeks has worked as a coach and speaker for fifteen years. He has worked with British royalty, professional athletes, billionaire businessmen and members of the UK's Special Forces. Mike's first television show aired in 151 countries. He is currently completing work on his first feature film (wrote & produced). His book 'Un-Train Your Brain' is the first in a five-part series published by Penguin and Random House UK*
