

WRITING & PRODUCING FOR THE WEB: WRITING, PRODUCING, MARKETING & MONETIZATION WITH FRANK CHINDAMO

This workshops provided the tools for our writers to:

- Develop a Concept for a Web Video Series
- Write the Outline & Scripts for the Series
- Produce at Least One Episode
- Create Their Own YouTube Channel

***Frank Chindamo** founded Fun Little Movies and has written the book on web video success. He teaches at USC UCLA Chapman and Emerson. His students include billion-hitter and millionaire FreddieW, Primetime Emmy winners and creators who've raised all the money they needed for feature films - just from their web series.*
